Dear Friends and future guests of 907 Main and our beloved Central Square MA community,

Like our industry friends and colleagues, in these ever-changing and unprecedented times, we are faced with the need to make difficult decisions. To our core, we care not only about delighting and surprising our guests, but what's in the best interest of our community at large.

As you may already know, the Hotel has been under construction and was on a regimented schedule to reach completion to open mid to late May. Currently, the schedule has been delayed and slowed for precautionary measures made by the City of Cambridge due to COVID-19. After careful consideration, 907 Main will now be opening its doors during late Summer 2020.

We will continue to monitor the global impact of COVID-19 and update our flexible booking options and cancellation policies as needed. Please feel free to call the Hotel directly should you have any questions about your upcoming reservation and our team will be happy to assist you.

Please know we are monitoring this evolving situation constantly and look forward to opening our doors and welcoming you as soon as possible.

We are all in this together,

Kathryn Vallier
General Manager
