Your Wedding Banquet

Design your own menu or select from one of our specially designed selections. Our culinary team are extremely flexible and will cater for all needs and dietary requirements.

All menus are produced using the best and freshest local and imported produce.

Cocktail Parties

During your celebrations you may wish to hold a cocktail party. We can tailor make an event for you in several locations and a range of hot and cold canapés for F\$25 per person or mixed platters F\$250 per platter (20 guests)

Wine And Beverages

We have an extensive selection of wines. Our experience shows that preselecting wines and paying only for what is consumed the best way of managing your budget.

Cocktails before reception. You may leave an amount on the bar and once reached we contact you for instruction.

Reception. Pre-select wines and include say local beer and soft drinks. Or you may prefer an open bar.

No one knows your guests and what they may consume better than you. For your budgeting we are more than pleased to suggest a per person allowance.

Alternatively, if you'd prefer to supply your own Champagne there is a F\$25 per bottle corkage charge.

If you'd prefer a beverage package to include other beverages we'd be happy to design a suitable package around your needs and budget.
