Master of Ceremonies (MC)

I'm **Paul Skinner** and have lived in the Whitsundays for 19 years. I have been providing professional MC services to weddings and special events for 17 years and can assist in creating the perfect atmosphere for your wedding reception. Many couples will enlist a close friend or family member to fill the role of an MC, however this can put undue pressure on your loved one that may impact their ability to relax and enjoy your wedding celebration. Utilising the services of a professional MC allows all of your guests to relax and enjoy the event, while your MC ensures timing of the night is adhered to and no important part of the night is missed. You will have peace of mind knowing that an experienced MC will keep your night running smoothly so you can concentrate on enjoying this wonderful celebration..
