Daydream Island Hand Picked Suppliers

Successful events take meticulous planning and execution by a variety of experts.

Daydream Island has carefully selected those who we believe to be among the best of the Whitsunday event suppliers, in their respective fields.

Hand Picked Suppliers;

Daydream Island have hand picked these suppliers based on a number of criteria;

- They are confident and familiar with the unique logistics of Daydream Island and the Whitsundays, including transportation, goods delivery to and from island
- Their product or service is of a consistently high standard including quality, presentation and professionalism
- They have a thorough understanding of the landscape, climate and unique factors of Daydream Island and the Whitsunday region that can contribute to an events success
- They have positive, professional and prompt communication with their customers

Please note that Daydream Island is a private property and only suppliers or businesses authorised to operate on Daydream Island, may supply their products or services on this private property.

Additional fees may be applicable for engaging suppliers outside of Daydream Islands authorised suppliers or businesses. Please discuss with your Daydream Island Event contact.

Should you engage any external supplier for a timeframe where overnight accommodation is required, it is the clients responsibility to ensure their accommodation is booked and confirmed directly with Daydream Island Resort.

Photography

Brooke Miles Photography has extensive experience covering events and conferences of all sizes from Perth to Sydney, Hobart and Cairns to the Whitsundays since 2006. Brooke Miles Photography has the added benefit of having a local studio in Airlie Beach. We also have many years experience working with Daydream Island and are therefore equipped to handle all the intricate elements of an island event. Please contact us to discuss your specific event requirements and for a quote.

Photography and Videography

Experts in Digital Media, **Th3rd Dimension**. specialise in Corporate and Event Videography and Photography.

We capture and create promotional content for your website, social media or to drive sign-ups or sales to future conferences or events, film and edit seminars to share with delegates that couldn't be there, interview attendees for website video testimonials, create educational resources and content from live seminar events, create highlight videos of your event, take candid and posed images of delegates, speakers and attendees – and more. We hold a current ReOC Licence and public liability to operate drones commercially to add aerial images or video to your conference or event. We understand that one size does not fit all in Conferences and Events, so each project is quoted on a case-by-case basis. We are happy to help you through all of your digital media questions, so you can relax knowing it's all organised and enjoy your conference or event.
