**Note:**

- Requests for network services are to be received by hotel no later than 12:00 noon (Eastern), 3 business days prior to the event. Any request received thereafter will be subject to a 100.00 pop up charge.
- Changes to the event network requirements have to be provided to the hotel staff at least 2 business days prior to the event. Inaccurate information may cause the wrong network configuration to be implemented which may lead to poor network performance for the event.
- The hotel staff will make the best effort to assist with client network equipment, but cannot be responsible for the functionality.
- Troubleshooting and/or configuration of client provided equipment may result in additional charges.
