WHALE SHARK TOUR

TOUR DESCRIPTION

Come and swim with the largest living fish on the planet! Scratch it off your bucket list and make memories for a lifetime. It's hard to imagine what it feels to be swimming close to these gentle giants of the oceans.

During the whale shark season (May to September) there's a daily opportunity to participate in this great adventure!

The tour starts at 6:30am with a pick up at your hotel. From there you will be transported to Puerto Juarez, in Cancún (approximately one hour by car), upon arrival you will have a breakfast.

Before boarding on the boat, we will give you a briefing about the activity, you will be in a natural reserve for the protection of this species, the most important thing is not to bother you, to avoid touching it, for security and protection reasons. Only a maximum of two people plus the guide in the water is allowed. The boats are fast and go between the Island of Holbox and Contoy to find the area of the whale shark, sometimes you can see Dolphins and Manta Rays.

They are equipped with a lifejacket or neoprene suit, as well as a pair of fins, their mask and the tube, once reached the meeting point, it is possible to admire the spectacle of these species from the boat, our guide will form groups two by two who will jump into water in turns. During the activity, refreshing drinks and sandwiches are offered on board.

Then you will have the experience of going to the restaurant in Isla Mujeres and visiting the island.
