

Harrison Hot Springs Resort is currently recruiting for the position of a **4th Class Power Engineer**.

About our company:

Harrison Hot Springs and the Eastern Fraser Valley is a beautiful place to live, work and play. We would love to have you join our amazing team and share the high quality of life that we have come to enjoy.

At Harrison Hot Springs Resort, our guests discover a location unlike any other destination in the world. We know the care and customer service we offer our guests leads to special experiences for them. We endeavour to exceed guest expectations and deliver outstanding products and hospitality services. Even though we welcome thousands of guests each year, we will focus on individuals and what we can do to make them feel like they are at home.

Overlooking Harrison Lake, the Harrison Hot Springs Resort offers the following amenities: five mineral hot springs pools, the Healing Springs Spa, three restaurants and a coffee bar, extensive banquet and catering options, Resort Golf Course and Resort Marina.

POSITION SUMMARY:

This position works with all hotel departments to ensure safety and maintenance standards are kept high and is responsible for responding to assignments from the Chief Engineer/Facilities Manager and as needed by the Manager on Duty. The nature of these requests is normally routine and preventative. Circumstances may dictate emergency response.

ESSENTIAL DUTIES AND RESPONSIBILITIES:

- Remain current on applicable building codes and governmental regulations.
- Respond to any radio call within ten minutes, if not possible, notify MOD, log all calls on log sheet, and must be courteous and professional on all radio communications.
- Participates as response team leader in the event of a fire alarm.
- Provides input on affecting energy and labour savings.
- Provides input for increasing efficiency in the work place in all areas.
- Maintains and repairs mechanical and electrical equipment.
- Resources parts needed for repairs when directed to.
- Maintains building, furniture and fixtures, performing repairs of a plumbing, electrical, mechanical, welding or general repair nature to all hotel areas and all outlets, including the spa, retail and public pool spaces.

- Maintenance assignments including checking, replacing and repairing items such as light bulbs, ballasts, filters, window screens, greasing, belts, motor bearings, head boards, small wallpaper tears, some painting, faucets, sinks, AHU filters, door closers, laundry and kitchen equipment repairs, etc.
- Daily checks on all boilers and records readings and problems in official log book.
- Checks and maintains pool chemicals and equipment and records all readings every 4 hours.
- Keeps updated on fire panel and computerized equipment
- Checks and maintains grease traps on regular basis.
- Communicates with team members and department management in a friendly and professional manner.
- Every person that visits Harrison Hot Springs should experience a clean, safe, comfortable and friendly environment. This position has a large impact in these matters.
- Some stress resulting from daily guest interactions (internal and external), budgetary, and time constraints.
- Other job related duties as assigned.

EDUCATION, EXPERIENCE AND SKILLS REQUIRED:

- Minimum fourth class power engineering certificate
- Minimum 2 years' experience working with boiler and chiller systems.
- Occupational First Aid would be an asset.
- Working knowledge of electrical, plumbing, HVAC, bearings, pumps, and able to carry out repairs on all items.
- Experienced with building safety systems.
- Pool operators certificate to be obtained
- Mechanically inclined and able to repair kitchen appliances, laundry equipment, motor bearings etc...
- Excellent customer service skills.
- Excellent working relationships with coworkers and other departments.
- Excellent organizational skills.
- Strong prioritization skills.
- Works well under pressure, remains calm, has a positive attitude and is a team player.
- Being multi lingual is an asset.
- Flexible to a changing schedule.

Interested, qualified candidates are invited to submit their resume and cover letter to hshsr@harrisonresort.com or facsimile at 604-796-4712.
