PILLOW MENU

ENJOY YOUR SLEEP AND DREAMS

ANATOMIC PILLOW

A good choice for those with neck pain
or looking for a supportive pillow.

The anatomic pillow is designed to keep the neck
and spine properly aligned. It's made from natural material,
100% cotton.

BUCKWHEAT-SPELT PILLOW

This firm pillow provides vital support for your head and neck. It instantly conforms to the natural shape of your head and neck throughout the night, allowing the smaller muscles in your neck to function correctly. In addition, the shape of the organic buckwheat and spelt allow air to circulate throughout the pillow, keeping your head cool in the summer and warm in the winter. This pillow is perfect for a deep and relaxing sleep.

SNORE NO MORE PILLOW

Give your partner a quiet night sleep, and sleep better yourself with our special herb pillow. The pillow is filled with a mixture of herbs – elderberry, linden blossom and thyme – which ensure a peaceful and undisturbed night's sleep.

The herb pillow fits under your pillow or place it beside your head for a peaceful night.

WATER PILLOW

Keep your head and neck in an optimal sleeping position no matter how much you toss and turn. Your head rests on a thin layer of water which provides outstanding comfort, improved sleep quality and reduced neck pain and headaches. When on your back, the water pillow cradles the neck with perfect support in all directions. As you roll onto your side, the water instantly adjusts to maintain correct head and neck support. The water pillow can be tailor made - choose from a soft, medium or firm pillow.

HORSEHAIR PILLOW

The medium-firm pillow is filled with hair from the manes and tails of horses. In the spinning process, the horsehairs are washed and subsequently crimped which leads to a pillow which retains its spring for many years. The horsehair pillow has a cooling effect and reputedly anti-rheumatic qualities.

BATH PILLOW

Love a nice soak in the tub?
Relax just a bit more with our special pillow for the bath.
Using this pillow makes for an extremely
comfortable bathing experience.
