### 6. GRAN HOTEL INGLÉS

Gran Hotel Inglés Madrid

The stylish art deco design of the Gran Hotel Inglés, Madrid, offers loads of flattering ideas to steal. Located in one of the city's most characterful neighbourhoods, Barrio de Las Letras – a place writers like Cervantes, Lope de Vega and Quevedo all called home – its LobByto bar is bedecked in sensuous textiles in a warm palette of burnt orange, silver, ochre and teal and is a good spot for noontday tapas. The room's rose gold tinted mirrors act like an Instagram filter and flatter, an idea to install in your house.
