

1.- BACKGROUND

In accordance with the Spanish regulations governing the use of cookies in relation to the provision of electronic communications services contained in Royal Decree Law 13/2012 of 30 March, we inform you about the cookies used on the **CASTILLOS DE SAN MIGUEL S.A.** website and the reasons for their use. We also inform you that by browsing our website you are giving your consent to use them

2.- WHAT ARE COOKIES?

A cookie is a file that is downloaded to your computer when you access certain websites. Among other things, cookies allow a website to store and retrieve information about the browsing habits of users or their computers and, depending on the information they contain and the way they use their computer, may be used to recognize users. Cookies are only associated with an anonymous user and his or her computer or device and do not provide references that allow us to know his or her personal data.

3.- TYPES OF COOKIES

1.- **Own Cookies:** Cookies that are sent to the terminal equipment of the user from a computer or domain managed by the publisher and which provides the service requested by this user.

2.- **Third-party cookies:** These are cookies that are sent to the terminal equipment of the user from a computer or domain not managed by the publisher, but by another entity that processes the data obtained through cookies.

3.- **Session Cookies:** A type of cookies designed to collect and store data while users access a website.

4.- **Persistent Cookies:** These are cookies where the data remain stored in the terminal and can be accessed and processed during a defined period by the party responsible for the cookie, with said period ranging from a few minutes to a few years.

5.- **Analysis Cookies:** These ones, if they are well treated by us or by third parties, allow to quantify the number of users and thus carry out the measurement and statistical analysis of the use of the service offered. We analyse your browsing habits on our website to improve the goods and/ or services we offer you, based on an analysis of the usage data.

6.- **Advertising Cookies:** These are those that enable the most efficient management of the advertising spaces that, where appropriate, the publisher has included in a web page, application or platform where the requested service is provided, based on criteria such as the edited content or the frequency with which the ads are shown.

7.- **Behavioural advertising cookies:** These are those that enable the most efficient management of the advertising spaces that, where appropriate, the publisher has included in a web page, application or platform where the requested service is provided. These cookies store information about user behaviour obtained via continuous observation of browsing habits, making it possible to develop a specific profile for showing advertising based on this. It is also possible that when you visit a web page or open an email where an advertisement or promotion is published about our products or services, a cookie may be installed in your browser that allows us to later show you advertising related to the

search you have made; develop a control of our advertisements in relation to, for example, the number of times they are viewed, where they appear, at what time they are viewed, etcetera.

4.-TYPES OF COOKIES USED BY THIS WEBSITE

The cookies used on our website are session and third-party cookies and allow us to store and access information relating to the language, the type of browser used, and other general features predefined by the user, as well as to track and analyse the activity performed on our website, to introduce improvements and provide our services in a more efficient and personalized way. **CASTILLOS DE SAN MIGUEL S.A.** does not use advertising or behavioural advertising cookies.

The use of cookies offers advantages in the provision of services within the so-called information society, since it facilitates the user's navigation and access to the different services offered by this website; it avoids the user having to configure the general predefined features each time he/she accesses the website; it favours the improvement of the operation and services provided through this website, following the corresponding analysis of the information obtained through the cookies installed.
