

HEALTH & SAFETY FOR ALL CHAUNCEY GUESTS !

We Clean. We Care. We Welcome.

The safety and well-being of our guests and employees is always our top priority. In following the guidelines provided by the public health authorities and the state of New Jersey, we have taken the following proactive measures to ensure your safety:

SOCIAL DISTANCING Measures are embedded in all services for guest protection. Every part of our operation has been modified to allow our guests to comfortably go through the property, including public spaces, food & beverage outlets and meeting space setups while maintaining a 6' distance from other guests.

PROPERTY PREPARATION AND SIGNAGE Instructional signage is placed in the hotel public areas to inform and guide guests on social distancing, personal protective equipment, heightened sanitation measures, screening procedures and elevator capacities. Markers are placed to guide social distancing in high traffic areas. Lobby furniture is arranged to ensure social distancing where ever possible.

SANITIZER PRODUCTS Products are prevalent and available for guest use throughout the property. This includes over 20 hand sanitizer stations. Sanitizing wipes are also available.

ENHANCED CLEANLINESS All areas of the hotel disinfected daily with EPA approved products. Public areas cleaned hourly with extra attention to frequented areas. Retraining programs for the Housekeeping Team on all cleaning protocols. All dining outlets have implemented a 30-minute sanitation cycle that covers all frequently touched surfaces.

EMPLOYEE PREPAREDNESS Training program on enhanced health and safety program, provide guidance on appropriate social distancing and use of personal protective equipment. Screening procedures required for all employees including temperature readings.

GUEST EXPERIENCE Welcome kits are placed in each guest room providing masks, hand sanitizer and sanitization wipes. Rooms disinfected with EPA approved products. Highly touched and exposed items such as pens, pads, brochures are removed as much as possible in the guest and meeting rooms. 24-hour hotel room "resting period" between guests stays. Stayover housekeeping service is not available to ensure zero contact.

FOOD AND BEVERAGE EXPERIENCE This has been modified to allow our guests to enjoy our delicious offerings with an a'la carte dining menu. Our self-serve buffet has been removed. Food and beverage will have sustainable single use packaging. Cutlery will be individually wrapped or single use. All beverage service will be individually bottled. Restaurant and Bar operating will have reduced capacity and socially distant set-ups, and hand sanitizer offered to guests.

MEETING AND EVENT EXPERIENCE Socially distant set-ups (1 guest per 6' table). Personal protective equipment required for employees and recommended for attendees. Managed event flow with use of signage and floor markers. Hand sanitizing stations placed in high traffic areas and meeting rooms. All surfaces sanitized after each use. Single use meeting room amenities to include hand sanitizer.

ISSUED GUIDELINES Following the Centers for Disease Control, New Jersey State and our local health officials have been the basis for the plan that we have formed. Please inquire if you would like more specific information.

We look forward to welcoming you back!
