HOTELS.COM 2017 LOVED BY GUESTS AWARD**

Preeminent Desert Destination Recognized as “Fabulous” with a 4.4/5 Rating

SCOTTSDALE, Ariz. – August 14, 2017 – On the heels of being designated a AAA Four Diamond property for the 12th year in a row, and receiving an Experts’ Choice award from TripExpert for the second consecutive year, the [We-Ko-Pa Resort & Conference Center](http://www.wekoparesort.com) has another shiny bauble to add to its trophy case: a 2017 “Loved by Guests” award from Hotels.com®.

Recognized as “Fabulous” for the 4.4 out of 5 rating it received from the (actual) Hotels.com guests that stayed at the property, the We-Ko-Pa Resort & Conference Center [scored strongly](#) in all measured categories: location, breakfast, service, pool, cleanliness and room. It ranked particularly high in the Romance niche, due to its serene Sonoran Desert location, luxurious rooms, and exceptional amenities.

A leading online accommodation booking website with properties ranging from international chain and all-inclusive resorts to local favorites and bed & breakfasts, Hotels.com boasts more than 25 million trusted, genuine guest reviews on its site. To find this year’s “best of the best,” the travel experts analyzed millions of reviews, with 2,500 hotels across 87 countries recognized as truly outstanding.

"The Loved by Guests awards celebrate those top-notch hotels that guests really loved and wanted to tell everyone about," said Taylor L. Cole, APR, travel expert for Hotels.com. "We're finding reviews are becoming more powerful than ever and that many travelers prefer to book based on guest reviews rather than official star rating. Think of how many times you've chosen a hotel because you've been scrolling through reviews on your smartphone and read about its comfy beds and fantastic breakfast."

"It was our privilege to host Hotels.com guests and we appreciate their recognition of our award-winning property, outstanding amenities, and customer-centric philosophy," added Craig Benell, general manager of the four-star We-Ko-Pa Resort & Conference Center. "We hope their glowing reviews help spread the word about all we have to offer so that more visitors can experience our warm hospitality and all-inclusive desert experience."
