

The Buccaneer

St. Croix, U.S. Virgin Islands

We look forward to welcoming our guests to The Buccaneer. To keep our guests and employees healthy, The Buccaneer has implemented new protocols that will be enforced during your stay.

A mask or face covering will be required when interacting with hotel employees, including upon entering at the main gate. The gate attendant will take your temperature using an infrared thermometer to ensure you do not have a fever. Any temperature reading of 38 C / 100 F or higher will be reported to the front desk and local Department of Health for testing. You will be asked to self-isolate in your room.

The CDC has recommended that people avoid shaking hands and maintain a six-foot space between themselves to help minimize the spread of illnesses which we are requiring all guests to adhere to. We ask that you take extra precautions regarding washing & sanitizing your hands and have provided hand sanitizer in all public areas.

To limit interaction with our Front Desk team, all guests will be required to submit a copy of their photo identification, completed guest preference sheet and beach equipment waiver prior to arrival. Please ensure this is emailed to reservations@thebuccaneer.com prior to your arrival. At check in, you will be provided with a registration card to complete.

We recommend you download our menus and electronic guest directory prior to arrival to reference during your stay. The Guest Directory is available on our Amenities page.

Upon arrival to the property, the gate attendant will take your thermometer using an infrared thermometer. You will be asked to leave your luggage outside the main lobby. The Front Desk agent will provide a registration card and take your payment through a plexiglass screen. We highly recommend you use a touchless payment option such as Apple Pay. The lobby will be marked for safe distancing and we will allow a maximum of two families in the lobby at a time. Please note you will not receive a welcome drink upon arrival and we will take your temperature again using an infrared thermometer. The staff member will guide you to your room but will not enter with you. Please call the Front Desk at ext. 0 for an introduction to your room.

We recommend you secure a car rental for the duration of your stay on island as shuttle service to and from the hotel, without prior arrangements, as well as onsite bell service will not be available. We recommend Hertz and encourage you to book online in advance of your stay. Complimentary self-parking is available around the resort.

Should you wish to snorkel, your sanitized equipment will be placed in your room prior to arrival and will be assigned to you for the duration of your stay. Please still notify our team when you will be entering the water. The beach team has ensured that our Mermaid beach and pool chairs are arranged to allow for social distancing while relaxing during the day. Please do not rearrange the chairs. Beach chairs will not be set at the Grotto Beach; however, we are happy to place chairs for you upon request. Kayaks will also be available at the Mermaid Beach. You may choose to remove your mask poolside, or while enjoying the beach. Please note that space at the pool will be limited because of social distancing and there may be days where you will be asked to enjoy the beach instead.

Every effort will be made to ensure social distancing and a safe environment. As a result, reservations will be required for all meal periods. We ask that you list your preferred dining time on the guest preference sheet so we can ensure to secure a table for you. In lieu of room service, to go food can be delivered to your door. The food attendant will play the food on a tray jack outside your room and knock when they arrive. We recommend downloading the food and beverage menus from our website's Dining Page prior to arrival. To go food & drink service will be available at the Grotto and will be provided by The Mermaid.

To ensure social distancing and safety, appointments and tee times will be required for the golf, tennis, and spa outlets. We highly recommend securing these in advance of your arrival to ensure you can participate in your requested activities at your preferred time. Each outlet has their own set of protocols that will be followed during your stay. The concierge will provide these when they confirm your appointment. You can also find a list of these protocols on our website. Please note the Fitness Center is currently closed.

Housekeeping will be provided in your room every day. If you wish to decline daily maid service, toiletries can be requested from the Front Desk and trash will be picked up daily from outside your room. Please note you must be out of the room or on the balcony / patio at the time of service. Additional bath and beach towels can be provided in lieu of daily housekeeping. A water carafe will be provided in your room that can be filled using the filtered tap water in the room. Ice is available upon request and a small refrigerator is available in all rooms. Our housekeeping team will always be wearing a mask while cleaning the public areas as well as our guest rooms. The department uses Simple Green D to sanitize in all our public spaces and restaurants, and our guest rooms. Simple Green D cleans and disinfects. This cleaning agent also meets Osha bloodborne pathogen standards for COVID-19, HIV, HBV and HCV. They also use Lysol for wiping down the door handles, tv remotes, telephones, and all other high touch areas in the rooms.

Our employees have received training from a territorial epidemiologist on best practices and we have implemented these into our daily routine on property. In addition to these commonsense protocols, our management team remains in close contact with our local epidemiologist and Department of Health representatives and have created internal memos on best practices to prevent the spread of the virus. The current CDC symptoms for COVID-19 are cough, shortness of breath or difficulty breathing, fever, chills, muscle pain, sore throat, or loss of taste / smell. Should you have any of these symptoms, please remain in your room, and call the Front Desk at ext. 0. We also ask that you refrain from visiting the bars, restaurant or public areas and please inform the Front Desk so we can provide guidance. All of us at The Buccaneer want to create a safe and peaceful environment for our guest and staff. Please help us maintain safety and share any questions, concerns, or suggestions you may have.

We look forward to welcoming you to The Buccaneer.

Please return this form to reservations@thebuccaneer.com in advance of your arrival.
