COMMITMENT HOTEL MONT GABRIEL TOWARDS MEASURES OF THE DIRECTORATE OF PUBLIC HEALTH

December 15th, 2020

Hotel & Spa Mont Gabriel is committed to providing a safe environment for its customers and employees. In addition to the courteous behavior of travelers, which promotes respect and social distancing, the following measures have been added to ensure the safety of all. This list is not exhaustive and is subject to change as the pandemic situation develops

- Restaurant Le Gabriel and bar St-Moritz are closed until further notice;
- Room service available with a schedule according to occupancy;
- Take-out counter open during peak periods;
- Increased frequency and significant rigor of cleaning after each use, using disinfectants for all frequently touched items and surfaces such as cabarets, counters, pens, payment terminals, etc .;
- Use of a micro-sprayer to disinfect the spaces;
- Individual ventilation system;
- Recommendation of a contactless payment method by debit or credit card;
- Wearing a mask and eye protection are compulsory for all our catering employees.

Despite the unprecedented situation we are living in, we are committed to offering our customers an unrivaled moment of relaxation where it will be possible to unwind in the mountains of the Laurentians. The great outdoors, the vast spaces and the many outdoor activities that facilitate social distancing will allow you to get away from everyday life and enjoy summer in complete safety.

Thank you for your usual collaboration,
