HOTEL MONT GABRIEL COMMITMENT TO PUBLIC HEALTH MANAGEMENT MEASURES
--

December 15<sup>th</sup>, 2020

Hotel & Spa Mont Gabriel is committed to providing a safe environment for its customers and employees. In addition to the courteous behavior of business travelers, which promotes respect and social distancing, the following measures were added to ensure the safety of all. **Events are permitted if it is considered an urgent matter and may not be held virtually. The list of event types is very restricted. For more details, contact our sales team.** This list is not exhaustive and is subject to change as the pandemic situation develops

- Reduced accommodation capacity to promote social distancing;
- Increased hand sanitizing stations; a station in front of every occupied hall is provided;
- Frequency and rigor of cleaning public areas increased with disinfectants;
- Use of a microsprayer to disinfect common areas, event rooms and guest units;
- Individual ventilation systems in guest units as well as event rooms;
- Easier physical distance in common areas and outdoor gardens;
- Hall assigned according to social distancing recommendations;
- Cleaning products will be available for customers wishing to disinfect their living space themselves during their stay;
- Coffee breaks are individually wrapped to ensure the security of your guests;
- All meals are served by the plate. We provide a formula for quick service if needed;
- All our services are available, in respect of the measures put forward by Public Health authorities;
- Our cancellation policy is now more flexible than ever.

Despite the unprecedented situation we are living in, we are committed to offering our customers an unrivaled moment of relaxation where it will be possible to unwind in the mountains of the Laurentians. The great outdoors, the wide open spaces and the many outdoor activities that facilitate social distancing will allow you to get away from everyday life and enjoy summer in complete safety.

Thank you for your usual collaboration,

Martin B. Lavallée
