Recreation

Beaches - Three beaches await you – Mermaid Beach with its restaurant and bar; Whistle Beach, an over-the-hill spot favored for its privacy; and Grotto Beach, with a shoreline pool, is also an ideal area for beachcombing walks. The far end of the beach is unserviced, so we ask that you not advance past the sign designating the end of the beach. **Enter the sea at Grotto Beach only through the designated buoys.** Please use common sense when enjoying the beautiful Caribbean Sea. Coral reefs are living animals and home to other creatures, like the spiny sea urchin. Coral is fragile and will die if stepped upon. Please do not touch or walk on coral as you may injure yourself on the sharp edges or by the sea urchins spines. In the waters around our island it is possible to see a lion fish inside a crevice of the reef, or a scorpion fish lying on the sand; both can give a painful sting if touched. Be mindful of where you are so the waves do not push you onto the reef. Please keep trash and plastic bags out of the water as they can damage birds and the endangered sea turtle. Help us keep our coral reefs and waters healthy for future generations. The U.S. Virgin Islands have banned sunscreen containing oxybenzone, octocrylene, and octinoxate to help protect our coral reefs.

Beach Activities - We offer complimentary use of sea kayaks, snorkel gear, and water floats at both the Mermaid beach. Frisbee golf, beach golf toss, corn hole, ping pong, soccer and tetherball equipment are available at the Mermaid Beach.

Fitness Center - The fitness center can be accessed using a key from the Front Desk.

Gift Shop - The Front Desk can open the gift shop for you on request. Please note one family is allowed inside at a time. The Gift Shop offers logo items, souvenirs and sundries.

Golf - Our challenging 18-hole, par 70 course, designed by Bob Joyce, encompasses 5,685 yards with spectacular Caribbean Sea views. **The golf pro shop and course is currently open by appointment only. The course is closed on Mondays and Thursdays.** Our Golf Professional, Kenny Peets, and his staff can arrange tee times, club rentals and cart rentals by calling extension 737 or 738.

Pools - Enjoy two lovely freshwater pools. One is adjacent to the Shopping Arcade and the second is a shoreline pool located at Grotto Beach. Both are for the exclusive use of hotel guests. The blue towels found in your room and at the beach shack are designated for beach and pool use. Please do not adjust the chaise lounges at the beaches or on the pool deck as they are set apart to ensure social distancing.

Spa Services - Beachside massages are available by appointment. These services can be booked on our website.

Tennis - Tennis Resorts Online named our eight-court tennis facility “One of the Top 20 in the Caribbean.” The tennis courts are currently open for play only. Reservations and equipment rentals can be arranged by calling the concierge. Please note that group clinics, drills or lessons are not currently available.

Watersports - Snorkeling trips to Buck Island Reef National Monument, fishing, scuba diving, sunset sails and bioluminescent kayaking are offered locally. To make arrangements, please call the concierge at extension 703.

Independent contractors, not affiliated with the hotel, provide many of the services described above. We provide this information to you as a courtesy.

Snorkel Guide for Grotto and Mermaid Beaches

Mermaid Beach

Grotto Beach

The Mermaid

If you are interested in exploring, The Mermaid Garden at Mermaid Beach is our Beach Attendant recommended spot. The reef system off Mermaid Beach is fed by the current passing between Buck Island, Green Cay, and St Croix. This results in forests of gorgonians and sea fans, brain corals, fire coral and healthy populations of reef fish.

You might also see a passing turtle!

Directions

Once in the water, head straight for the waves passing the last orange buoy. This is where you'll see large rock formations.

Head counterclockwise to use the current to round the reef/waves then continue back to the beach.

The depth at this reef is between 0-10ft. Always stay in at least 5ft of water and NEVER enter the waves.

NOTE: There can be very strong currents on the outer edge of this reef. Always snorkel with a buddy and never exceed your physical ability or experience.

The Grotto

This beach is an excellent spot for off-shore snorkeling. The area is shallow which makes it a great place for the beginner snorkeler. Along the way you will see beautiful hard and soft corals, as well as a large variety of tropical fish.

Directions

Enter water through GREEN BUOYS, turn left and follow the rock bed along the shoreline. Remember to snorkel only over sand as it is too shallow to snorkel over the rock bed.

We hope you enjoy the use of our complimentary snorkel gear during your stay. If you wish to purchase snorkel equipment to take home with you, please see the concierge for pricing.

If the complimentary snorkel gear is not left in your room upon departure, a charge of \$50 will be applied to your room folio.

Please use common sense Coral reefs are living animals and home to other creatures, like the spiny sea urchin. Please do not touch or walk on coral as you may injure yourself on the sharp edges or by the sea urchin spines as well as damage the fragile reef. In the waters around our island it is possible to see a Lionfish inside a crevice of the reef, or a scorpion fish lying on the sand, both can give a painful sting if touched. Be mindful of where you are so the waves do not push you onto the reef. Please keep trash and plastic bags out of the water as they can damage birds and the endangered sea turtle. Wear reef safe, oxybenzone-free sunscreen to help protect our coral reefs.

Sunscreen can be found in our gift shop and in dive shops downtown. Help us keep our coral reefs and waters healthy for future generations.

During the day, informal resort clothing is appropriate; cover-ups are required in the restaurants for breakfast and lunch. In the evening, most guests prefer to be a little dressier. After 6 p.m, active shorts, sleeveless shirts and tee shirts are not in keeping with guest preference and hotel custom.

Reservations - We recommend securing reservations for dinner. Please call the concierge to make arrangements at extension 703. Confirmed reservations must be canceled to avoid charges.
