

We are just happy to be open and able to provide a beautiful beach atmosphere with live music and quality food and beverage service at our bars in this time of uncertainty. We have been known as the place to go for fun and entertainment for over 40 years, but have been forced by mandate to modify our way of business until the COVID storm passes. Please read about the mandated rules before you visit as they will be enforced.

- We are still under Phase 2 restrictions in Pinellas County
- Masks must be worn in all indoor public spaces until seated
- For the general welfare of all fellow guests and our dedicated staff you must respect social distancing and personal space
- To be served at a bar establishment you **MUST BE SEATED** per mandate
  - **NO STANDING AT THE BAR**
  - **NO CONGRATING IN STANDING GROUPS AT THE BAR OR ON THE DECK**
  - **NO INTERACTING BY MOVING FROM TABLE TO TABLE**
  - **NO DANCING WHILE STANDING** \*We know this is a difficult one because of our fun-loving nature here, but if you are not in your seat- you are in violation of the mandate

These restrictions are not the choice of the establishment- they are mandated. Please respect the staff and the rules as we will have to ask anyone out of compliance to leave the bar area.
