

## ***featuring: Nelly Wong***

Our feature ambassador for the month of November is Nelly Wong, a Room Attendant with the Coast Coal Harbour Vancouver Hotel by APA in Vancouver, BC.

Nelly was a member of the opening team of Coast Coal Harbour Vancouver Hotel by APA over ten years ago, and has never looked back.

## ***What is the top item on your bucket list?***

I love to travel and went to Italy last year. I try to go somewhere new every year. Most recently Italy, France, England and the Bahamas. I have a dream to travel the world. We only have one life and I try to enjoy every minute of it.

## ***What was your dream job when you were a kid?***

When I was 7 years old I wanted to be a model. I loved the way they walked, and you get to dress in nice clothes. I used to take my sisters high heels and practice walking in the them. Unfortunately, I did not grow very tall.

## ***Why did you choose the hospitality industry, and specifically Coast Hotels?***

When I first came to Canada I worked in the restaurant industry for ten years. I then went into banking for a few years, working all around the Vancouver Lower Mainland. I enjoyed working with customers but wanted to have one place to go to each day with colleagues I would get to know better by working with them each day.

I was hired at the Pacific Palisades Hotel where I worked for three years. I jumped at the opportunity to work at a brand new hotel where I get to interact with guests and other ambassadors.

## ***Describe your personality in 3 words...***

I have too many good personality traits to put in to three words. I'm easy going, trusting of others, sometimes very sensitive, forgiving and giving, I have a sense of humour and wear my heart on my sleeve. I have been told I can be intimidating when you don't know me, but once you do know me you will love me.

## ***What is your dream vacation?***

I was in Venice last year and fell in love with the city. I would go back and even move there.

## ***What is your favorite food?***

Rice with just about anything, and any kind of fish. A burger and fries or pizza is just a snack for me.

## ***What is the best part of working at Coast Hotels?***

Everyone is friendly, we have everything we need. I truly enjoy coming into work each and every day.

***thank you Nelly***  
***for being an amazing***  
***ambassador!***
