ELOPE IN THE MOUNTAINS

ELOPEMENT PACKAGE

Kate and Gustav Weindorfer were the first to share the beauty of the mountains with visitors, building the first home here in 1902.

If the walls of this home could speak, they would tell you of the rare and undying love that Kate and Gustav had for each other. They would say that their love wasn't the kind that weakened by years passed or time spent away from each other.

Kate and Gustav were kindred spirits and the enduring love they shared was as profoundly beautiful as their mountain home.

Romance is woven into the fabric of this place. Kate and Gustav etched it into the narrative when they unknowingly wrote Tasmania's greatest love story here.

Start the next chapter of your love story by exchanging vows in the national park, immersed in nature, with the stunning alpine wilderness and breathtaking mountain peaks as your backdrop.

ELOPEMENT PACKAGE

Delivered in conjunction with Pop Up Weddings Tasmania.

\$4,450.00

There is a reason Kate and Gustav chose Cradle Mountain as their home and devoted their lives to it. It is special here. The mountains are dreamy, raw and wild. There is a sense of calm here that only comes from being in a place that lies at is always has, untouched for thousands of years. It is the perfect place for a simple and elegant elopement.

CEREMONY LOCATIONS

Cradle Mountain Hotel is nestled in alpine forest, just a short 2-minute drive from the entrance to the national park.

Your ceremony should be unique and personal to you. We offer multiple locations within the national park, at the Wilderness Gallery and on our hotel grounds for you to choose from.

For ceremonies inside the national park, we will arrange

the necessary permits. No permits are required for ceremonies on Cradle Mountain Hotel grounds or at the Wilderness Gallery.

Dove Lake

Ceremonies are not encouraged at Dove Lake or the Boat Shed. Instead, your photographer will travel with you in a private car for a photography session at these iconic locations, after your ceremony.

Dove Lake is immediately accessible from the car park. The Boat Shed is a 5-10 minute walk from the car park. Please note that the ground is uneven in parts.

Pencil Pine Falls

A private spot with the falls your backdrop as you say I do. A short walk through the rainforest brings you to the Pencil Pine Falls platform. This location is a 5-10 minute walk from the car park along a boardwalk and sits just outside of the national park.

"This is a place where there is no time and nothing matters" - Gustav Weindorfer

Enchanted Walk

The Enchanted Walk meanders through magical old-growth and mossy rainforest, along a cascading creek. At the end of the short walk, nestled amongst the foliage, is the Enchanted Walk platform. Here your ceremony will have the soundtrack of the bubbling river and the privacy of the trees. This location is within the national park. This location is 5-10 minute walk from the car park.

Cradle Mountain Wilderness Gallery

Our wilderness art gallery is located opposite the hotel (within hotel grounds). The gallery is home to 10 large

gallery rooms featuring Tasmanian art, expressed through a variety of mediums. Exchange vows in one of our galleries or in the alpine garden in the centre of the building, or incorporate both locations. The gallery is a great option for larger groups allowing great flexibility.

On-site at Cradle Mountain Hotel or in our grounds along the Wilderness Boardwalk

Nestled within alpine wilderness, the hotel has a number of options for your ceremony.

With the forest as your back drop, the hotel balcony

creates the perfect indoor/outdoor experience.

A few steps from our expansive balcony is the Wilderness Boardwalk - a great option for those seeking a rainforest setting with the comfort of the hotel within close proximity.

NATIONAL PARK INFORMATION

Special permission must be granted by Tasmania Parks and Wildlife Service to marry within the national park. We will make these arrangements on your behalf. Although entry into the national park is restricted to public vehicles, a special allowance will be made for you, your celebrant and photographer. At many of our ceremony locations the car park is located within a few minutes' walk.

All additional guests attending your elopement will need their own parks passes and will be required to travel into the national park via the public shuttle bus. The shuttle departs from the Visitors Centre (not far from entrance to park) very regularly (every 15 minutes or so).

Private bus transfers can also be chartered directly with Cradle Mountain Hotel.

Just as Kate and Gustav loved and protected this incredibly special place, so must we. Any floral arrangements or decorations brought into the national park must be artificial only and must be taken with you after the ceremony. The wildlife here is abundant. Curious native animals may make an appearance during your visit. Please respect and protect these animals by keeping your distance and not feeding them.
