select NOAH'S on the beach Guest Network and click CONNECT

If you would like faster internet access and increased download limits, contact Reception for paid upgrade plans!

To connect: simply select this hotel's wireless network from your Internet connection settings and open a web browser.

Troubleshooting Tips

1. In settings, turn wifi off.
2. Wait 10 seconds then turn wifi back on.
3. Select the network you want to join and authenticate.

Should you still not have a connection, please call us on 1800 414 823

Terms and Conditions of Internet Use

By using our Internet services, you hereby expressly acknowledge and agree that there are significant security, privacy and confidentiality risks inherent in accessing or transmitting information through the Internet, whether the connection is facilitated through wired or wireless technology. Security issues include, without limitation, interception of transmission, loss of data and the introduction of viruses or other programs that can corrupt or damage your computer.

Accordingly, you agree that neither this hotel nor any other party is liable for any interception of transmission, computer worms or viruses, loss of data, file corruption, hacking or damage to your computer or other equipment that results from the transmission or download of information or materials through the Internet service provided at this location.

Need a hand?

No problem. Liveport is available to help you get online 24 hours a day, every day.
