

DUXTON HOTEL

PERTH

The Duxton Hotel Perth was the first property to offer support to the Government of Western Australia and Department of Health to assist in flattening the curve in March 2020.

The Duxton Hotel Perth was released from the program by the WA Government in **April 2020**. Prior to reopening to the public, an extensive property deep clean was undertaken covering all guest facing areas, HVAC systems as well as all back of house facilities in compliance with the guidelines provided by the WA Department of Health.

For the past 12 months, the Duxton Hotel has welcomed thousands of leisure and corporate guests for accommodation, dining and events.

The Duxton Hotel has implemented a Safe Plan and the health and safety of Duxton Hotel Perth guests and staff is our number one priority.

We look forward to welcoming our valued guests in a clean, safe and luxurious environment.
