

**Dear guests,**

**we are very much looking forward to welcoming you at the Hotel München Palace!**

To protect our employees and, above all, to protect you from the Covid-19 virus, we would like to present the following hygiene rules to you.

**From 21st of May we can open again for tourist purposes. The prerequisite for your Check-In is either a negative, current corona test (PCR test taken maximum of 48 hours ago, POC antigen test taken maximum of 24 hours ago), a certificate of vaccination or an evidence of a full recovery from Covid-19.**

**We are allowed to welcome our hotel guests as well as external guests indoors and outdoors again for gastronomic offers and until midnight.**

**Test centers in Munich can be found under the following link:**

In general, throughout the house, we have prepared the following protective measures:

- We ensure the minimum distance of 1.5 meters between people.
- Our employees always wear masks in public areas.
- We keep employees with respiratory symptoms away from the company premises.
- A greeting of the guests by shaking hands or any physical contact is not permitted.

Our reception staff are available 24 hours a day. Please note the following hygiene rules, which we assure at the reception to protect everyone.

- Our surfaces as well as pens and room keys are disinfected regularly.
- Our business center can only be used after consulting the reception. Our business center is thoroughly cleaned and disinfected after each use.
- Spit protection has been installed at each of our two check-in counters.
- Our luggage service is still available. Your luggage will be brought to you separately and placed in front of the door. The luggage will only be delivered to your room on request.

Our restaurant is still open for you every day. The following should be noted here:

- We recommend making a table reservation to avoid waiting times. We are happy to reserve a table for you under the following telephone number + 49 89 47971-0. Furthermore, we kindly ask you to provide your contact details when entering the restaurant.
- Our employees always wear masks in the restaurant, in the bar, in the winter garden and at our terrace.
- We kindly ask you to use the separate entrance and exit doors to the restaurant.
- Please wear a mask when you are not at your table. This must also be worn when going to the restroom.
- If you have forgotten your face mask, we will provide you with one of our disposable masks.
- Unfortunately, we are currently not allowed to set up buffets.
- We are allowed to welcome hotel guests as well as external guests indoors and outdoors again. Additionally maximum 10 people are allowed to sit at one table.

Our room service is still available for you. Please note the following measures:

- Your room will only be cleaned in your absence.
- The surfaces and explicitly the telephone, TV remote control, door handle and the toilet are of course regularly disinfected.
- If you wish for 'turn down service' please let us know on the spot. This service is only available upon request.
- Due to renovations, our fitness area is currently closed. Our Steam Bath and Sauna are partially useable.

Please also note the curfew which is in force from an incidence of 100 in Munich. The curfew applies from 10:00 pm to 5:00 am. For questions about the current Incidence value in Munich, the reception is at your disposal at any times.

The entire team at the Hotel München Palace wishes you a pleasant stay and is available to answer any questions or requests you may have. Stay healthy!
