Creative spaces in the heart of everything

THE GRACE SYDNEY

The updated setup style and reduced seating capacities have been adjusted to adhere the new safe social distancing measures in all meeting/function rooms and event spaces including Food & Beverage outlets with seating arrangements spaced of at least 1.5 metre apart.

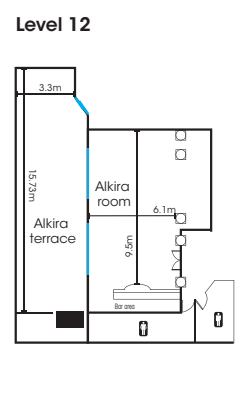

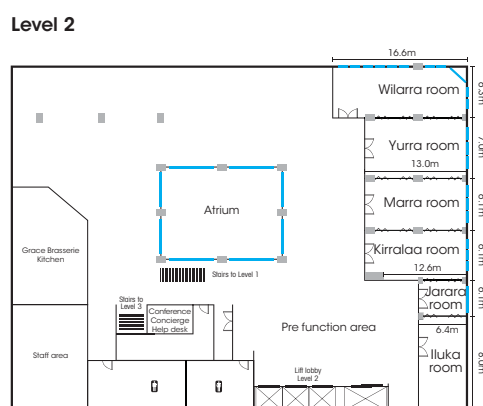

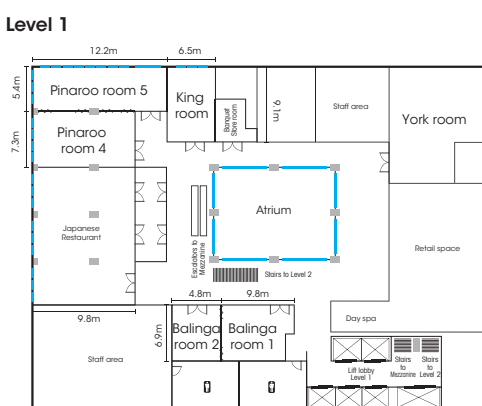

This is part of the additional precautionary measures in adhering to the strict preventive health & safety guidelines from the Australian Government Department of Health & World Health Organization (WHO) to prevent the spread of the current coronavirus disease (COVID-19) pandemic.

These safe distancing measures supplement the sanitation and hygiene practices which include access to hand sanitisers and frequently disinfecting common public spaces.
