

Hotel Updates: COVID-19

Goodwood Park Hotel stands united with Singapore's efforts against the COVID-19 pandemic. Protecting the safety and well-being of our guests and staff will always be the Hotel's utmost priority.

In compliance with tightened mandatory safe management measures from 19 July 2021, please be informed:

- A maximum of 5 individuals are allowed in the hotel room or inter-accessible hotel rooms at any one time (including registered guests and/or visitors) except where the individuals are all from the same household (same address). Only up to 3 registered guests are allowed to stay the night after 10pm. For enquiries on [staycations](#) or assistance with bookings, please contact our [Room Reservations team](#).
- Safe management protocols, including requirements for pre-bookings and capacity limits are in place for the Hotel recreational and business facilities such as the Fitness Centre, two swimming pools and Business Centre.
- The Hotel-operated F&B establishments are open for dine-in, currently for maximum of 5 fully vaccinated persons per table (please refer to Pg 2*) and safe distancing of 1m between tables. Splitting across tables for a larger group is not permitted unless they are from the same household. Intermingling between tables is not allowed. Sales and consumption of alcohol at/from all F&B establishments are prohibited from 10.30pm. Guests can choose to enjoy [dining experiences](#) in our restaurants, enjoy in-room dining service or [order delivery](#) to savour our cuisine in the comfort of their homes.
- Marriage solemnisations, wedding receptions and MICE events can be held with a maximum of 250 attendees, and pre-event testing (PET) will be required for all. PET is not required for 50 persons and below. For wedding receptions with 50 persons or fewer, PET will be required for the wedding party of up to 20 persons. Mandatory safe management measures will be in place including individual venue capacity limits, different group size limits within the event and F&B service. Please contact our [Catering Sales team](#) for enquiries.

Goodwood Park Hotel is proud to be certified as a **SG Clean establishment** by the Singapore Government with our hygiene and sanitation measures officially inspected and endorsed by appointed assessors. We are committed to ensuring a safe and clean environment for everyone as well as providing peace of mind for our guests' experience. For more information, visit sgclean.gov.sg

Precautionary measures at the Hotel include:

- Increased frequency of cleaning, disinfection and sanitisation across all areas of the hotel, including high touch surfaces like lift buttons and door handles.
- Hand sanitisers available around the Hotel in public and staff areas. Hand sanitiser and masks are also provided as guest room amenities.
- Contactless temperature screening and checks on visible symptoms for guests and staff, with daily health declarations and twice daily temperature checks for staff.
- Use of Singapore's SafeEntry digital system to record entry and exit information of guests and staff for contact tracing purposes. This is also applicable for entry into the Hotel's restaurants and facilities.
- Safe distancing measures implemented for guests and staff.
- Wearing of appropriate personal protection equipment by staff with safe workplace procedures in place.
- Advice on precautionary measures for guests and staff to take for themselves as well to be vigilant and to monitor their health at all times.

Goodwood Park Hotel will continue to monitor the situation and may introduce other initiatives accordingly. We thank all our guests for their kind understanding and patience during these extraordinary times.
