WE-KO-PA CASINO RESORT IS FIRST CASINO IN ARIZONA TO LEVERAGE UNTAPPD APP

Local beer enthusiasts now have convenient, real-time access to WKP Sports & Entertainment's innovative draft beer menus and community events

FORT McDOWELL, Ariz. – April 21, 2021 – To introduce the Valley drinking community to the wide range of draft and local beers available at their onsite sports-themed restaurant, WKP Sports & Entertainment, the We-Ko-Pa Casino Resort began utilizing the Untappd app today. They're the first casino in the state to offer this state-of-the-art way for beer enthusiasts to discover new beer styles while tracking and rating brews already tried.

"Untappd is the perfect way for us to let Valley beer enthusiasts know what we have on tap," explained Matthew Dunbar, WKP Sports & Entertainment general manager. "Along with the usual fan favorites, we've got a wide variety of Arizona brews including Ohso's Popcycle Blonde, Helton's Boysenberry Sour, Four Peaks' Kiltlifter Scotch Ale and State 48 Brewery's Mango Wheat. And those looking for something truly unique have to try our Yavapai-inspired H'mala (foam water), a proprietary private label selection from New York state."

The world's largest social network for the drinking community, Untappd's robust beer database provides its more than nine million registered users with immediate access to what's available at popular bars and venues in the area. Users can follow Verified Venues such as WKP Sports & Entertainment to get live tap list updates and access contactless menus, allowing them to discover new beers plus unlock achievement badges. Untappd is partnered with the Brewers Association, supporting craft beer in the U.S.

WKP Sports & Entertainment offers creative pub fare and craft beer along with a variety of sports, entertainment and gaming activities. Flat-screen TVs surrounding the dining area broadcast major sporting events, and live entertainment most weekends includes popular tribute bands, comedy nights and dueling pianos.
