

**FOR IMMEDIATE RELEASE**

**FORT MCDOWELL ADVENTURES ANNOUNCES NEW ACTIVITY PARTNER:  
AZ DESERT ELITE POWERSPORTS**

*Exclusive authorized BRP rental dealer to offer thrilling Can-Am ATV and Sea Doo experiences*

**FORT MCDOWELL, Ariz. – July 29, 2021** – To add even more exciting options to its roster of popular desert activities, Fort McDowell Adventures is pleased to announce a new on-site off-road adventure partner.

AZ Desert Elite Powersports, the only authorized BRP rental/tour operator in the Valley, offers four high-adrenaline tours featuring their fleet of 12 Can-Am Maverick Sport MAX, three Maverick X3s MAX and one Defender MAX Limited ATVs, along with 10 Sea Doo GTX Pros. Tours include rugged off-roading and sand blasting thru the Sycamore Creek wash, as well as seeing incredible scenic views and enjoying AZ Desert Elite’s tranquil Verde River camp, and can be combined to form larger, longer tours.

“It’s more than just an off-road adventure tour – it’s also about the land, the people and their history,” explained Kenneth Salas, AZ Desert Elite Powersports co-founder with wife Cina. “After our guests’ adventure is over, they leave us with the awe and knowledge that can only be experienced from this very unique vantage point.”

“AZ Desert Elite Powersports brought us a complete package of hands-on ownership coupled with BRP’s innovative products, brand reputation and industry leadership,” added Bill Ringling, Fort McDowell Adventures sales manager. “Not only that, they gave us another adventure option to offer our guests year-round, even during the brutal Arizona summers.”

All ATV rentals depart from Rosa’s Ranch at Fort McDowell Adventures, while the Sea Doos will launch at nearby Saguaro Lake once the Tonto National Forest conditions permit.

Ten additional Sea Doos will be available later this summer, and the company plans to add additional vehicles and off-site excursions to Saguaro Lake and the surrounding Tonto National Forest in the future.
