WE-KO-PA CASINO RESORT UNVEILS NEW STAY & DINE PACKAGE

Luxurious accommodations + fine dining = one memorable hotel experience

WHY: Treat yourself to a well-deserved getaway at the brand-new We-Ko-Pa Casino Resort and enjoy a luxurious room at our AAA Four Diamond property *and* a delicious dinner at Ember – the Valley’s latest go-to destination for fine dining and exceptional service.

Run by critically acclaimed Chef De Cuisine Richard E. Pelz, Ember features the highest quality USDA Prime and Angus Wagyu beef, game and seafood prepared over a custom mesquite wood burning grill. The indoor dining space overlooks the all-scratch kitchen with views of the culinary team, with additional dining available on Ember’s outside patio near their majestic fireplace.

Ember’s wine program focuses on the top wine-producing regions and most highly acclaimed vineyards in 17 countries, offering 517 wines by the bottle and 26 wines by the glass – ranging from a strong California presence to Barbaresco, Rioja, New Zealand, Argentina and Germany.

During your stay, try your luck at our all-new casino ... tee off on one of We-Ko-Pa Golf Club’s award-winning courses ... or enjoy a fun – and socially distant – desert activity at Fort McDowell Adventures.
