

COVID-19 PROTOCOL SUMMARY

All Guests

From September 15th, 2021, Sugar Bay Barbados will require that all guests 19 years and over be fully vaccinated (i.e. all required jabs taken no less than 14 days prior to arrival). Exceptions will be made for medical exemptions and for bookings made prior to September 15th.

- Must have a valid PCR test within 3 days of arrival and provide proof of a negative result.
- Must wear masks in public spaces
- Must adhere to Barbados' national protocols and hotel guidelines.

Fully Vaccinated Guests

(*RECEIVED APPROVED VACCINE(S) WITH THE FINAL JAB NO LESS THAN 14 DAYS PRIOR TO ARRIVAL)

- Will be tested on arrival at the airport or may choose to be tested at the hotel.
- Must remain on property until results are returned.
- Will have free access to the hotel and our facilities except the beach, gym, spa, games room, kids club & crèche while awaiting results.
- Will have free access to all facilities on and off property once negative results are received.
- Generally receive the results the same day or up to 48 hours after testing. **The hotel has no control over the wait period.*
- Will receive housekeeping service after negative results are received. Fresh towels, linens etc available on request.

Unvaccinated Guests (bookings made prior to September 15th, 2021 or guests with medical exemption from vaccination)

- Must remain in their room during the quarantine period of 5 days before receiving a PCR test and then until test results are received.
- Test results are generally returned within 48 hours. **The hotel has no control over the wait period*
- May opt for public testing (arranged by guest directly) or private testing (arranged through the hotel).
- Private testing is done at the hotel by appointment at a cost of US\$200 per person.
- Public testing is free but will incur the cost of roundtrip transfer to the testing facility.
- Will receive housekeeping service after negative results are received. Fresh towels, linens etc available on request.

Fully vaccinated persons 18 years and over or those travelling with a person 18 years or over who is not fully vaccinated, will be subject to the unvaccinated protocols if sharing the same room.

Testing for Return Flights

Based on destination, negative PCR or Rapid Antigen Test results may be required for return flights. In these instances:

- Testing can be arranged publicly by contacting the Covid Hotline Tel: 246-536-4500 or privately, through the hotel.
- Booking your test at least 48 hours in advance is recommended.
- Private RAT testing is at a cost of US\$100, public RAT testing is US\$50.
- Private PCR testing is US\$200 per person, public testing is US\$50.
- Transfer costs will apply for public testing.
- **Rapid test results are usually available within 4 - 24 hours and PCR tests up to 48 hours.**
**The hotel has no control over the wait period*

Transportation to and from the airport

Approved taxis are readily available at the airport. They are located immediately outside of the arrivals hall. The hotel also has affiliated approved taxis, which are available for your return trip or for other transport needs.
