

COVIDSafe Statement

We would like to assure you that Amora Hotel Jamison Sydney is committed to the wellbeing of all its guests, visitors and hotel team. We are working as a team to proactively and constantly remain up-to-date, ensuring we are following all official guidelines and communication provided to us by the Australian Government Department of Health and the Tourism Accommodation Association (TAA).

The following steps are taken to manage the risk of spreading the virus:

- Increasing the frequency of cleaning and disinfecting in all public spaces and back of house areas, in particular high touch point zones.
- While servicing guest rooms the housekeeping team pays additional attention to surfaces, disinfecting all touch points such as: light switches, remote controls, telephones, door handles etc.
- Hand sanitising stations have been installed outside guest elevators in the lobby and additional hand sanitisers and gloves are available in back of house areas including front office, housekeeping, kitchen, spa, staff washrooms and dining facilities.
- Clean and disinfected key cards are provided upon check-in.
- Signage in public spaces and back of house areas will remind our guests and staff to maintain social distancing protocols.
- Signage in public bathrooms and back of house will remind our guests and staff to practice good hand hygiene.
- The hotel is currently not at risk with regards to supply of goods or services for our guests. We are consistently monitoring supplies, cleaning stock etc. and have no concerns at this point.
- Meetings and events: We are guided by government restrictions and health and safety guidelines to ensure business is done correctly, to protect our clients and staff.

With your safety and wellbeing our highest priority, we advise the following guest facilities are following current restriction guidelines: Croft Restaurant | Silo Bar | Business Centre | Day Spa | Pool | Gym | Meeting & Event Spaces
