

Effective for the 2022 season opening, the Birdseye Rooftop Pool & Bar will be adults only, and will continue to be an exclusive amenity for Beauport Hotel guests only. All guests will be required to show a 21+ ID and an active Beauport Hotel room key in order to gain entry to the Roof Level.

Our updated pool usage policy is in place for the overall safety and comfort of our guest community.

We continue to warmly welcome children and families as our guests, during the summer season, we actively service our front Pavilion Beach with beach chairs and umbrellas, amenities, and water activities in partnership with Cape Ann SUP. We are pleased to offer complimentary, on-demand shuttle service to Good Harbor Beach. We encourage our guest families to take advantage of Gloucester's local beaches, on-the-water attractions and children's activities during their stay.

Thank you. We look forward to serving you!
