About the artists:

- **Saturday, May 21 - [Redray Frazier](#):** Lyrically, *Redray Frazier* meditates on love's pathos and euphoria, achieving spiritual balance, and reinterpreting social minefields. The singer's vocals hypnotize while his lyrics dig deep into cultural territories such as the higher vibration of self-betterment. A true artist, not just in the musical sense, he is also an entrepreneur and community activist, and pursues several other creative passions.
- **Thursday, June 23 - [Taken by the Sky](#):** *Taken by the Sky*, a Fleetwood Mac Tribute Band, is a group of Portland musicians who found each other during a time when live music was at a standstill. A shared appreciation for Fleetwood Mac and desire to recreate authentic performances of music known and loved by millions led to the band taking flight.
- **Thursday, July 28 - [Petty Fever](#):** *Petty Fever* is a multi-award winning full production tribute to Tom Petty & The Heartbreakers, featuring the captivating guitarist/vocalist and 2016 Hollywood FAME Award

Winner, Frank Murray. They deliver an amazing and memorable salute to the musical legacy of Tom Petty, performing over four decades of classic Tom Petty hits such as American Girl, Free Falling, Breakdown, Running Down a Dream, I Won't Back Down and many more.

- **Thursday, August 11 - Hillstomp:** Portland Oregon junkbox blues duo *Hillstomp* is infamous for digging through the dumps and forgotten backwoods of American music, recycling traditional elements into a refreshing and distinctive brand of do-it-yourself hill country blues stomp. North Mississippi trance blues, a bit of Appalachia, and a dash of punkabilly come clanging and tumbling from assorted buckets, cans and BBQ lids, all drenched in rambunctious slide guitar. Somehow it works. Despite their homemade instruments and novel approach, Hillstomp is no novelty act.
- **Thursday, September 8 - Dancehall Days:** Astonishing musicianship with a repertoire that is wildly diverse and authentic. *Dancehall Days* has been thrilling audiences all over the continental United States and Hawaii, England and the Bahamas, playing at venues such as Fleetwood's On Front Street - Maui, Charley's - Maui, The Troubadour - London, One And Only Ocean Club - Nassau, San Francisco Ritz Carlton, Austin City Limits and The Old Joint Stock Theatre - Birmingham.
