**FOR IMMEDIATE RELEASE:**

## **The Charming Sea Otter Inn Receives Renovations!**

*Stay across from Moonstone Beach in Cambria, California, in their newly updated rooms.*

**Sea Otter Inn - Cambria, Calif.** -- One of Cambria's most popular lodging destinations, the [Sea Otter Inn](#), is thrilled to announce they've finished beautiful renovations to welcome new and returning guests to one of California's last, largely undiscovered beach towns.

This family-owned Inn offers a charming ambiance and a peaceful garden setting on the oceanfront with personal touches like a picnic basket breakfast hand-delivered to your room each morning. Guests will be delighted to discover the Inn has received **new, more modern** furniture, a fresh coat of beautiful Tidewater blue paint in the rooms, new flooring, luxurious bedding and an overall refresh to give guests the feeling of being at their home away from home.

Sea Otter Inn was careful to shop with small businesses and purchased the furniture from [Northland Furniture](#), an American-made company in Oregon that sources materials domestically. Their eco-friendly mindset and beautiful Northwest craftsmanship pair well with the values of Sea Otter Inn, as they also strive to provide their guests with a sustainable, quality experience.

Throughout the property, returning guests will also notice updates in the lobby, including a fireplace, and brand new pool furniture for lounging.

If you're feeling ready for a Central Coast getaway, enjoy a relaxing stay at the newly renovated Sea Otter Inn this season and stay just steps away from Moonstone Beach!
