

Welcome

TO THE NEIGHBORHOOD

Life's Rad in Carlsbad, and we are here to help you get out there. You'll find plenty to keep you care free and occupied. Below are a few ways to explore our beach town -- mask in hand, of course! Have fun.

BEACH ME UP

So. Carlsbad Beach (3 mi south)

Rugged cliffs. Remote beach with intimate areas, but few amenities. Ideal for walking and jogging. A family favorite.

So. Ponto Beach (3.5 mi south)

Captivating sunsets. Best beach for surfing. Wide and secluded with polished stones.

Seaside Beach (9 mi south)

Restroom. Dogs allowed w/ leash. Tidepools at South end, best at low tide. (Cardiff)

In North County San Diego, we have a beach for everything you love to do.

Tamarack Beach (3 mi north)

Restrooms. Paved walking paths. Close dining at the Village. Scuba dive, kayak, fish, or windsurf.

North Carlsbad Beach

From the Village to Oceanside. State and locally owned, these quiet beaches have no life guards, restrooms or other amenities.

Moonlight Beach (6.5 mi south)

First come, first serve firepits. Beach rentals, playground, snack shack, and restrooms. (Encinitas)

shuttle time
