

MARMARIS BAY  
RESORT

PET FRIENDLY

## Wouldn't you like to spend your holiday with your pets?

Marmaris Bay Resort offers a very special service with the pet friendly hotel concept for the guests who prefer this facility. Marmaris Bay Resort is the best option to bring your pets on holiday with you.

Marmaris Bay Resort Hotels offers a unique holiday opportunity where you will spend time together in predetermined areas for your animal friends while you spend your holiday in your room and in the general areas with your pet.

### General Information and Rules :

We accept our little friends to the facility rooms located in certain areas. According to the law, we cannot accept species that are not suitable for feeding.

We offer in-house walking paths and green areas to our little friends and their owners. It is obligatory to wear a leash while walking. (Except guide dogs)

We can host a maximum of 2 little friends in each room.

We provide a private beach for dogs and their owners.

Pools, beaches, eating and drinking areas, spa and lobby, our areas are not suitable for the use of our little friends.

We kindly ask you to contact the hotel management first to inquire about the availability of certain room categories that are allowed to stay with the pet owner.

For a comfortable and enjoyable stay with your pet, we ask your veterinarian to obtain the regular and updated "vaccine, parasite, flea treatment" report regarding your friend's health before your travel.

Make sure that you provide information about your pet's type, breed, weight, nutritional needs with your travel agency or facility, and make sure that the reservation is made.

The owners will be responsible for the feeding of our little friends. Food purchase support will be gladly provided upon request.

The owners will be responsible for cleaning our little friends in your room or defined areas after the necessary need and throwing them to the places we have determined.

During the room cleaning service, you must be in the room and our little friends must be in their boxes / on a leash.

### Your room will be cleaned with your request until 12:00.

Cleaning requests are accepted until 11:00.

Cleaning requests after 12:00 will be made according to availability.

Food served in our hotel is not pet friendly and is not recommended as facility management.

If the necessary forms are not filled or sent to us at the reservation stage, the hotel management does not accept any responsibility and pets are not allowed to stay.

If the hotel management detects that the guest with their pet uses places other than designated areas and if the guest continues to act against terms and conditions the he/she signed, despite the fact that multiple warnings and necessary notifications has been made towards the guest in question, the hotel management holds the rights to terminate the stay.

The guest agrees in advance that he/she will abide by the rules determined as of the moment he/she enters the facility with his/her pet.

Denotes that you are responsible for the material damages and complaints that our little friends may cause to the property of the facility, our other guests and our little friends.
