

Would you like to spend your holiday with your pets?

Senses Hotel offers a comfortable holiday opportunity with your pet. During your stay at our hotel with your pet, the following rules may apply.

General Information and Rules :

We welcome all trained and vaccinated pets weighing 20 kg or less. A pet vaccination certificate must be presented to reception upon check-in. We reserve the right to request immediate removal of any pet that displays dangerous or unacceptable behaviour, including biting, excessive noise (such as barking), or shows evidence of disease. Only one (1) pet is allowed to host in a guestroom. Each Guest is responsible for all charges that relate to the removal of his/her pet, including but not limited to transportation and kennel charges.

We accept our little friends to hotel rooms located in certain areas. We are not allowed to accept species that are considered inconvenient to feed by law.

Pool, dining and lobby areas are not suitable for use of little friends.

Pets must be leashed, caged or firmly held when they are on the pet walk (except guide dogs). Pets are allowed only in guest rooms.

We kindly ask you to contact the hotel management first to get information about the availability of specific room categories that are allowed to stay with the pet owner.

Ensure that you provide information about your pet's type, breed weight and nutrition requirements with your travel agency or hotel and the reservation is confirmed.

The pet owners will be responsible for the cleaning of a pet's stool in guest rooms or defined areas after meeting his/her toilet need and dropping it to specific locations defined.

We kindly ask you to place a "The Pet in room / Do Not Disturb sign" sign outside of your door whenever your pet is in the room.

For the safety and comfort of your pet during the room cleaning service, a housekeeping attendant will only serve when your pet is inside.

Cleaning requests are accepted until 12.00

Cleaning requests after 12.00 will be made according to availability.

Food served at our hotel is not pet friendly and not recommended by hotel management.

Unless required documents are filled in or submitted during the reservation process, the hotel management doesn't accept any responsibility and your pet is not allowed to stay.

If the hotel management notices that a pet is released to use areas that are prohibited and if the pet owner continues to act against the rules despite warnings, necessary notifications will be made by the hotel management to terminate your stay.

The Guest approves compliance with the pet-keeping regulations determined by the hotel management prior to check-in.

We announce that pet owners have full responsibility for all property damages to the facility, to other guests' items, and to other pets. We state that pet owners are responsible to cover all the loss that is caused by their pets.
